REMARKS

Typographical errors in the specification have now
been corrected. It will be appreciated that no new matter
has been added.

Several corrections in the drawings are warranted.
Accordingly, Applicants have filed a Request for Approval of
Drawing Changes. It will be appreciated that several
reference numerals were inadvertently omitted from Figs. 15,
52 and 53. In addition, "Fig. 62" should read --Fig. 66--
and "Fig. 66" should read --Fig. 62--. Support for this
amendment is found on pages 227 and 228. In Figs. 72A and

72B correction of a reference numeral is requested. It will be appreciated that no new matter is being added.

An early and favorable action on the merits is respectfully requested.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
